Docket No. 150009-EI
Filed: June 26, 2015

**FLORIDA POWER & LIGHT COMPANY'S FIRST REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
OF EXHIBITS TOJ-1, SDS-1, TOJ-13 AND SDS-7 (DOCKET NO. 130009-EI)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests continued confidential classification of portions of Exhibits TOJ-1, SDS-1, TOJ-13 and SDS-7 filed in Docket No. 130009-EI. In support of its request, FPL states:

1. On March 1, 2013, FPL requested confidential classification of portions of Exhibits TOJ-1 and SDS-1 filed in Docket No. 130009-EI. FPL's request was granted by Order No. PSC-14-0063-CFO-EI (issued January 29, 2014). FPL's Exhibits A and B included with that request are incorporated herein by reference.

2. On May 1, 2013, as revised on June 10, 2013, FPL requested confidential classification of portions of Exhibits TOJ-13 and SDS-7 filed in Docket No. 130009-EI. FPL's request was granted by Order No. PSC-14-0062-CFO-EI (issued January 29, 2014). FPL's Revised Exhibits A and B included with its June 10, 2013 request are incorporated herein by reference.

3. The period of confidential treatment granted by Order No. PSC-14-0063-CFO-EI and Order No. PSC-14-0062-CFO-EI will soon expire. All the information that was the subject of those orders warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3), Florida Statutes. Because the two orders address similar, related documents, and confidential treatment would be scheduled to expire at the same time, FPL has consolidated what would be two separate extension requests into this single

extension request. Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification on a consolidated basis. Included herewith are a Consolidated Exhibit C and a Revised Exhibit D.

4. Consolidated Exhibit C is a table identifying the specific page and line or column numbers that are confidential, with references to the statutory bases for the claim of confidentiality and to the affidavit in support of the continued confidential classification. No changes have been made to the information identified as confidential. Revised Exhibit D contains the affidavits of Stephanie Castaneda and Steven Scroggs in support of this request.

5. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. Section 366.093(3), Florida Statutes, defines confidential information as information that is intended to be and is treated by the company as private in that disclosure of the information would cause harm to the company's business operations or its customers, and has not been disclosed publicly. The confidential information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093(3)(2), such information is entitled to confidential treatment and it is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information

6. As the affidavits included in Revised Exhibit D indicate, the information contains contractual data such as specific price or payment terms, the public disclosure of which would violate nondisclosure provisions of FPL's contracts with certain vendors and impair FPL's

ability to contract for goods or services on favorable terms in the future. Such information is protected by Section 366.093(3)(d), Florida Statutes. This information is also competitively sensitive, and its disclosure could impair the competitive business of FPL or its vendors. Such information is protected by Section 366.093(3)(e), Florida Statutes.

7. Nothing has changed since the issuance of Order No. PSC-14-0063-CFO-EI or Order No. PSC-14-0062-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate.

8. Upon a finding by the Commission that the information described herein and identified on Consolidated Exhibit C is proprietary confidential business information, the information should not be declassified for a period of at least an additional eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, FPL respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

AFFIDAVIT OF STEPHANIE CASTANEDA

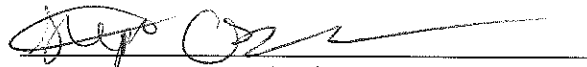

BEFORE ME, the undersigned authority, personally appeared Stephanie Castaneda who, being first duly sworn, deposes and says:

1. My name is Stephanie Castaneda. I am currently employed by Florida Power & Light Company ("FPL") as Nuclear Business Operations Manager, Fleet Accounting and Regulatory Compliance. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Consolidated Exhibit C and the documents that are included in FPL's First Request for Extension of Confidential Classification of information contained in Exhibits TOJ-1, SDS-1, TOJ-13, and SDS-7 (filed in Docket No. 130009-EI), for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed contain proprietary confidential business information, including information concerning bids or contractual data and competitively sensitive data. Disclosure of this information would violate FPL's contracts with its vendors, work to the detriment of FPL's competitive interests, impair the competitive interests of its vendors and/or impair FPL's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

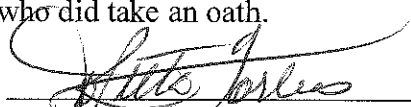

3. No significant changes have occurred since the issuance of Order Nos. PSC-14-0063-CFO-EI or PSC-14-0062-CFO-EI to render the information identified in Consolidated Exhibit C stale or public such that continued confidential treatment would not be appropriate. Accordingly, this information should continue to be maintained as confidential for an additional period of not less than eighteen months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
