In re: Petition for approval of arrangement to mitigate impact of unfavorable Cedar Bay power purchase obligation, by Florida Power & Light Company.

Docket No: 150075-EI

Date: June 26, 2015

FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR CONFIDENTIAL CLASSIFICATION OF RESPONSE TO STAFF OF THE FLORIDA PUBLIC SERVICE COMMISSION'S FIFTH SET OF INTERROGATORIES

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of its response to Staff of the Florida Public Service Commission's ("Staff") Fifth Set of Interrogatories (No. 37). In support of its request, FPL states:

1. On June 26, 2015, FPL served its response to Staff's Fifth Set of Interrogatories. FPL's responses to Staff's Fifth Set of Interrogatories (No. 37) contain information of a confidential nature that comprises proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes (hereinafter referred to as the "Confidential Discovery Responses").

2. FPL files this request to Staff's Fifth Set of Interrogatories No. 37, in order to request confidential classification of the Confidential Discovery Responses consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are included with and made a part of the original request and this request:

a. Exhibit A consists of the Confidential Discovery Responses produced in response to Staff's Fifth Set of Interrogatories No. 37.

b. Exhibit B consists of a copy of the confidential documents, on which all the information that is entitled to confidential treatment under Florida law has been redacted.

c. Exhibit C is a table containing an identification of the information highlighted in Exhibit A, together with a brief description of the documents designated confidential. Exhibit C also sets forth references to the specific statutory bases for the claim of confidentiality and to the affiant who supports the requested classification.

d. Exhibit D consists of the affidavit of Jacob Pollack.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the hard of disclosure against the public interest in access to the information.

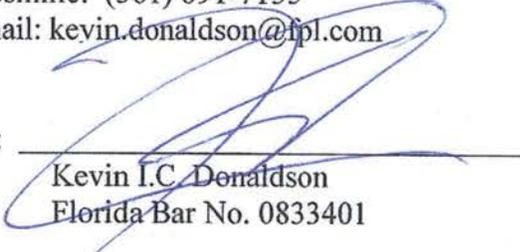

5. As the affidavit of Jacob Pollack included as Exhibit D indicates, the Confidential Discovery Responses provided by FPL constitute proprietary business information related to competitively sensitive confidential business information, in that it contains information concerning Cedar Bay's internal costs and expenditures and other competitively sensitive commercial information. The disclosure of this information to third parties would adversely impact Cedar Bay's and/or its affiliates' competitive business interests and otherwise harm Cedar Bay and/or its affiliates, which FPL is contractually obligated to treat confidentially. This information is protected by Sections 366.093(3)(d) and (e), Fla. Stat.

6. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. See § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavit included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

**AFFIDAVIT OF JACOB A. POLLACK IN SUPPORT OF
FLORIDA POWER & LIGHT COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF NORTH CAROLINA

COUNTY OF MECKLENBURG

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Jacob A. Pollack, who being first duly sworn, on oath deposes and says that:

1. My name is Jacob A. Pollack. I am over the age of 18 years old and I have been authorized by Cedar Bay Generating Company, Limited Partnership ("Cedar Bay") to give this affidavit in the above-styled proceeding on Cedar Bay's behalf and in support of Florida Power & Light Company's ("FPL") Request for Confidential Classification. I have personal knowledge of the matters stated in this affidavit.

2. I am Vice President and Secretary for Cedar Bay. I am also Senior Vice President and General Counsel for Cogentrix Energy Power Management, LLC ("CEPM"), which (1) is an affiliate of Cedar Bay, and (2) employs the individual, S. Mark Randolph, who has sponsored a portion of the response to Staff's Fifth Set

of Interrogatories to Florida Power & Light Company (Nos. 36-37) ("Staff's Fifth Set of Interrogatories") in this docket. My business address is 9405 Arrowpoint Boulevard, Charlotte, North Carolina 28273. I am responsible for all legal, corporate governance, and corporate records matters for Cedar Bay and CEPM.

3. Cedar Bay and FPL are seeking confidential classification for part of FPL's response to Staff's Fifth Set of Interrogatories No. 37 consisting of a one-page table showing projected monthly net book values for the Cedar Bay generating facility for the months of September 2015 - December 2015, as more specifically identified in Attachment I of FPL's Request for Confidential Classification.

4. Cedar Bay and FPL are requesting confidential classification of this information because it is Cedar Bay's competitively sensitive confidential business information, in that it contains information concerning Cedar Bay's internal costs and expenditures and other competitively sensitive commercial information. The disclosure of this information to third parties would adversely impact Cedar Bay's and/or its affiliates' competitive business interests and otherwise harm Cedar Bay and/or its affiliates.

5. The information identified in Attachment I is intended to be and is treated as confidential by Cedar Bay and has not been disclosed to the public. Consistent with the provisions of

the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

6. This concludes my affidavit.
