Re: Docket No. 150117-GU- Joint Petition of Florida Public Utilities Company, Florida Public Utilities Company-Indiantown Division, Florida Public Utilities Company-Fort Meade, and the Florida Division of Chesapeake Utilities Corporation for Approval of Modified Cost Allocation Methodology and Revised Purchased Gas Adjustment Calculation.

Dear Ms. Stauffer:

On May 8, 2015, Florida Public Utilities Company (all Gas Divisions) and the Florida Division of Chesapeake Utilities Corporation (the "Companies") submitted a Joint Request for Confidential Classification and Motion for Protective Order seeking protection of certain highlighted information contained in the first two columns of Charts 3 and 4 provided in response to Commission Staff's Data Request No. 6 (page 6). (See document no. 02705-15).

The Companies have now determined that they no longer require that this information be protected as confidential. As such, the Companies withdraw their Joint Request for Confidential Classification and Motion for Temporary Protective Order filed on May 8, 2015.

As always, please do not hesitate to contact me if you have any questions whatsoever regarding this filing.

Sincerely,

Beth Keating
