ECO and AFD should remain OPR on the respective dockets. The two documents in question pertain to a matter that was voted on by the Commission at the last Agenda. The analysts have been instructed to return the documents to the Clerk's Office and Delores will mark on the form that the documents can then be returned to the Company.

Delores,

ECO is the OPR for Dockets 140158-WS and 140186-WU

AFD is the OPR for Docket 140147-WS

Confidential DNs 06732-14 and 01437-15 are associated with all three dockets.

So, the question is, should the OPR be AFD or ECO for Confidential DNs 06732-14 and 01437-15 ?

I think someone from ECO and someone from AFD should get together and decide who the OPR for these two confidential documents should be to avoid any further confusion.

Thanks,

Per our discussion earlier today, ECO is OPR for Docket 140158-WS and for Docket 140186-WU.
