Subject: Docket No. 150117-GU: Declassification of Document No. 02705-15

Hi, Angela. It was good talking with you this morning.

On May 8, 2015, the joint petitioners in the subject docket submitted a Request for Confidential Classification and Motion for Protective Order seeking protection for certain highlighted information in Document No. 02705-15. On July 7, 2015, the joint petitioners determined that they no longer required that this information be protected as confidential and withdrew their request (see Document No. 04234-15).

Based on the petitioners' withdrawal of their request, and pursuant to this email, please declassify the redacted portions of Document No. 02705-15 and place them in the general docket file for Docket No. 150117-GU. Please let me know if you have any questions. Thanks for your help,
