Suzanne,

The Clerk's Office can declassify the confidential document, however it will be forwarded to GCL due to the fact that the information is discovery related and the Clerk's Office only maintains discovery information that is confidential in nature.

Thanks again,

Angela

Suzanne,

Would you like the Clerk's office to declassify this document (DN 03112-15) and forward to GCL or would you like to have this document returned to the source?

Have a wonderful day!

Dear Angela: Duke withdrew their request for confidentiality of DN 03112-15, responses to OPC's First Set of Interrogatories Nos. 5a and 5b, on June 8<sup>th</sup>. At that time Duke also provided answers to these interrogatories to all parties. That being the case, no order on confidentiality will be needed and none will be issued.

Good afternoon Michael,

Will any action be taken by the Commission regarding Duke Energy's Notice of Withdrawal (DN 03466-15) of its request for confidential classification of DN 03112-15?

Thank you,
