Subject: RE: 150075 OPC WITNESS MYERS TESTIMONY

Per this e-mail, the Clerk's Office will declassify the testimony and exhibits that pertain to Terry M. Myers only in confidential DN 03493-15.

Unfortunately, the declassified portion of this document cannot be put online under DN 03493-15, since there is still confidential information in this document number.

I suggest that if the testimony and exhibits of Terry M. Myers needs to be online in PDF format, that a memo be prepared by GCL with the attached declassified document and filed with the Clerk's Office. A new document number will be assigned and the document put online in PDF format in docket 150075-EI.

Thank you,

Subject: 150075 OPC WITNESS MYERS TESTIMONY

Hi all,

On June 29, (document No. 04010-15) Cedar Bay filed its 9th request for confidential information. In the request, they said that the testimony and exhibits of OPC's witness Terry Myers has no confidential information. The testimony is in document no 03493, filed by OPC. Can we refile that testimony in the docket? If you send me the testimony and exhibits I will do like what we did earlier and refile with memo.

Thanks for all your help in this continuing saga.

Martha
