

P R O C E E D I N G S

1
2 **MR. ROME:** Item No. 20 is a joint petition by
3 four Florida gas utilities owned by parent company
4 Chesapeake Utilities Corporation to consolidate the
5 intrastate pipeline costs of the four utilities and
6 allocate those costs across all customers in the
7 purchased gas adjustment and transitional transportation
8 service pools. This would enable the companies to
9 better balance the costs of individual system projects
10 over the entire Chesapeake Florida system. Staff
11 recommends approval.

12 **CHAIRMAN GRAHAM:** Commissioners, any questions
13 of staff on Item No. 20?

14 **COMMISSIONER BRISÉ:** Move staff.

15 **COMMISSIONER EDGAR:** Second.

16 **CHAIRMAN GRAHAM:** It's been moved and
17 seconded, staff recommendation on Item No. 20.

18 Yes, sir -- yes, ma'am, Commissioner Brown.

19 **COMMISSIONER BROWN:** I support the motion, but
20 I'd like to ask staff a question briefly.

21 **CHAIRMAN GRAHAM:** Okay.

22 **COMMISSIONER BROWN:** I think this consolidated
23 approach and phased-in approach makes sense to me for
24 Chesapeake and FPUC. I'm just curious about the length
25 of time that Phase 2 will occur and when the Commission

1 can expect to see that come before us.

2 **MR. ROME:** From what we understand, the filing
3 for the second phase potentially could come within the
4 next six months approximately. And then at that time,
5 from what we understand, there would be a delayed
6 implementation date of perhaps as long as 18 months to
7 allow the shippers to work with the customers with whom
8 they have contracts to make any necessary adjustments
9 that may need to be made at that time.

10 **COMMISSIONER BROWN:** Thank you so much. Thank
11 you.

12 **CHAIRMAN GRAHAM:** Any other questions of staff
13 of Item No. 20? Seeing none, all in favor, say aye.

14 (Vote taken.)

15 Any opposed? By your action, you've approved
16 the staff rec. on Item No. 20.

17 (Agenda item concluded.)
