Docket No 150102-SU - Utilities Inc. of Sandalwood

Regards to rate increase for
Utilities Inc. of Sandalwood:

Considering the Base Facility
Charge of 29.34 a month - I would
think that amount would be sufficient
especially for a person ^{that} uses those
facilities only four months of the
year and pay 29.34 a month for
non use - a total of \$264.06 for
the 9 month period of non-use.

Sincerely

William D. Brown
