RE: Docket No. 150164-TX – Request for cancellation of Certificate of Necessity No. 8112 by Rightlink USA, Inc., effective July 6, 2015.

Rightlink USA, Inc. has requested cancellation of Certificate No. 8112, effective July 6, 2015. The certificate holder has met the requirements of 364.335(3), Florida Statutes, by providing the Florida Public Service Commission notice in writing of its request for voluntary cancellation of its certificate and by submitting all Regulatory Assessment Fees (RAF), penalty and interest, if any, that are due at this time.

Neither the cancellation of the certificate nor the failure to receive a RAF return notice shall relieve the company from its obligation to pay RAFs or penalty and interest that may be due for this year. Failure to pay the amounts owed to the Florida Public Service Commission will result in the Company being sent to collections.

Pursuant to Section 2.07.C.5.g, Administrative Procedures Manual, it is our recommendation that the voluntary cancellation be acknowledged and the docket be closed.
