STAFF'S FIFTH DATA REQUEST

Re: Docket No. 150075-EI - Petition for approval of arrangement to mitigate impact of unfavorable Cedar Bay power purchase obligation, by Florida Power & Light Company.

Dear Mr. Butler:

By this letter, the Commission staff requests that Florida Power & Light Company (FPL or Company) provide responses to the following data requests.

Section 3(c) of the settlement agreement allows a party to petition the Commission, no later than July 1, 2019, to extend the insurance coverage and that “the Commission shall enter a final order in any such proceeding by December 31, 2019.”

1. Do the signatories agree that such language would bind the Commission to issue a final order?
2. If the Commission failed to issue a final order until after December 31, 2019, what do the signatories believe would be the effect of that final order on the signatories? How would a final order filed after December 31, 2019, or no final order issued at all, affect enforcement of the settlement agreement by all signatories?
3. If the Commission modifies or rejects Section 3(c) what effect would that action have on the settlement agreement?

Please file all responses electronically no later than August 19, 2015 from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6220 if you have any questions.

Sincerely,

/s/ John Villafrate
