Good afternoon Mr. Deterding,

If you are filing anything electronically you do not have to provide copies:

There is no requirement to file additional copies when documents are e-filed, except for rate case minimum filing requirements filed pursuant to Rules 25-6.043, 25-6.0435, 25-7.039, 25-7.040, 25-30.436, or 25-30.437, F.A.C., which electronic filings must be accompanied by the appropriate number of copies as provided by the rule or order under which the filing is made.

When filing anything online you have to submit it via PDF. If you try and use any other format it will not allow you to send the file.

If you need anything further please let me know,

Angela

I am trying to organize a rate filing that will be submitted in the next couple of weeks. I have a couple of questions..

The PSC rule requires that the utility submit the original and 16 copies of the financial information as specifically outlined in rule 25-30.436(4)(d). Does this requirement hold true for filings electronically as well ?

What format is required for the extensive schedules if they are filed electronically ? Is PDF sufficient ?

Thanks

I just filed a letter and Settlement Agreement in Docket No. 150022-WU. Does the Clerk send the copies to the staff assigned to this docket or do I send them?
