Re: Docket No. 150175-GU - Petition for approval of amendment to special contract with Orange Cogeneration Limited Partnership, by Florida Division of Chesapeake Utilities Corporation

Dear Ms. Keating and Mr. Cassel:

By this letter, Commission staff requests the following information from the Florida Division of Chesapeake Utilities Corporation.

1. Referring to the Petition at paragraph 7, please elaborate on the last sentence and the phrase (“ . . . which better reflects the current use of capacity for Orange . . .”).
2. Please explain the basis for the Bypass Avoidance Rate of \$115,000 per year displayed on the CFTS Affidavit and explain why it increases by 3% per year.
3. Are any monies recovered in the Competitive Rate Adjustment (CRA) from this contract?
If yes:
 - a. Is this the first time for this contract or has this occurred in the past?
 - b. What is the 2016 CRA factor (the cents per therm impact of this contract)?
 - c. Pursuant to which tariff provision would any CRA amounts associated with this contract be recoverable from the general body of ratepayers?

Please refer to the Incremental Cost of Service Study, and its components, for the following questions.

4. Are the incremental costs shown annual or monthly amounts?
5. Referring to estimated O&M expenses, please explain the basis for the Overheads & Services (corp/bu) amount of \$13,297.

Please file all responses electronically no later than Tuesday, September 8, 2015 from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6540 if you have any questions.

Thank you,

/s/ Sue Ollila
