**AFFIDAVIT OF TERRY HOBBS IN SUPPORT OF
DUKE ENERGY FLORIDA'S
SIXTH REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF CITRUS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Terry Hobbs, who being first duly sworn, on oath deposes and says that:

1. My name is Terry Hobbs. I am over the age of 18 years old and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Fifth Request for Confidential Classification. The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the General Manager of Decommissioning at the Crystal River 3 ("CR3") nuclear unit. In this role, I have oversight responsibility for the Decommissioning

of the CR3 plant, including among other things, continued operations and maintenance of the facility and responsibility for the Decommissioning Transition Organization (“DTO”) which transitioned to the SAFSTOR I organization on July 1, 2015.

3. I am responsible, along with the other members of the section, for the process we used to transition CR3 from an operating nuclear plant to a decommissioning organization.

4. DEF is seeking confidential classification for documents produced in DEF’s Second Supplemental Response to OPC’s Second Request for Production of Documents (specifically question #24) and Second Set of Interrogatories (specifically question numbers 25 and 41) (collectively, the “confidential documents”). The confidential information at issue is contained in confidential Exhibit A to this Request and is outlined in DEF’s Justification Matrix that is attached to DEF’s Fifth Request for Confidential Classification as Exhibit C. DEF is requesting confidential classification of this information because it contains personal employee information and sensitive business information, the disclosure of which would violate individual employees’ rights to privacy and impair the Company’s competitive business interests.

5. The confidential documents at issue contain employee names, coupled with reimbursement information (e.g., relocation costs and meal and lodging reimbursements), that if publicly disclosed would violate the employees’ right to privacy. Moreover, disclosure of this information would impair DEF’s competitive business interests by signaling to its employees (and those whom DEF may seek to employee) that DEF is unable to maintain the privacy of its employees. This could result in DEF being viewed as a less desirable place to work versus competitors for talented employees that can protect employee information, ultimately resulting in DEF either not being able to

attract or retain qualified employees, or being forced to overcompensate such employees to the detriment of DEF and its customers.

6. With respect to the information at issue in this request, DEF has kept confidential and has not publicly disclosed such confidential agreements.

7. Strict procedures are established and followed to maintain the confidentiality of the terms of the agreements and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information and documents. The Company has treated and continues to treat the information and documents at issue as confidential.

8. This concludes my affidavit.

Further affiant sayeth not.

Dated the 25 day of August, 2015.
