Thank you for the confirmation. We have updated DN 05327-15 to reflect that it is a document filed in the docket file rather than in correspondence. It may take 10-20 minutes to update on the website though.

Let us know if you have any other questions or concerns.

Thank you for following-up on this filing. It appears that when you filed this, you designated it as Correspondence-Parties and Interested Persons (see Document Type below, highlighted and bold for convenience). So, it was placed in parties correspondence (see DN 05327-15). I imagine that since it's a data request letter, that you intended to file it in the docket file rather than correspondence. If you would like this document moved from correspondence to the docket file, please advise and we will take care of it right away.

I filed this yesterday afternoon with the Clerk's office, but it has not shown up in the Docket File yet. I am just making sure my letter got to the Clerk's office.

Thanks

Elisabeth
