Good afternoon, Ms. Masterton,

The Office of Commission Clerk is setting up the new docket for CenturyLink's request for approval of IURC agreement with QuantumShift Communications, Inc. In entering your contact information, we note that the zip code on the letterhead is 32**031**. Is that accurate, or should it be 32**301**?

As soon as we receive that information, we will update the party information accordingly. As an FYI, the docket is not available on the website as of the typing of this e-mail. However, when it is available, it will be assigned Docket No. 150202-TP, Document Number 05810-15.

Thank you for your help!
