CHAIRMAN GRAHAM: Item No. 10.

MS. DRAPER: Elisabeth Draper with Commission staff.

Item 10 is a joint petition by Tampa Electric, Duke Energy, and Mosaic Fertilizer for approval of an intermittent electric standby power agreement. Mosaic plans to build a transmission line on its property to allow its South Pierce Cogeneration Facility to serve the load of a Mosaic Fertilizer production plant called the Pasture Plant. The proposed agreement would allow Tampa Electric to provide standby power to Mosaic when generation from the cogeneration facility is not sufficient to serve the Pasture Plant load.

Staff recommends approval of the proposed agreement as it is consistent with the Commission's policy to encourage agreements and promotes renewable energy.

CHAIRMAN GRAHAM: Thank you very much.

Commissioners, any questions of staff on Item No. 10? I'll entertain a motion.

COMMISSIONER BRISÉ: Move staff.

COMMISSIONER EDGAR: Second.

CHAIRMAN GRAHAM: It's been moved and seconded, staff recommendation on Item No. 10. Any
