Dear Commissioners,

My name is Mark Ligon. My wife and I purchased a condo at Cape Haze Resort for our upcoming retirement home. It has come to our attention that there is a proposal to increase our wastewater bill by more than 100% with the average bill being around \$150.00. We currently live in Tennessee and this is unheard of here. Please consider this carefully because if approved we may decide to sell our unit and retire somewhere with a lower cost of living. Thank you for your consideration.

Mark A. Ligon
