Subject: Utilities, Inc., rate increase

I am a resident on Gasparilla Pines Blvd, in Englewood, Fl. Utilities Inc has proposed a base rate increase from 29.34 monthly to 70.12 monthly. That is MORE THAN DOUBLE!!!!
We already had a rate increase in 2013 from 21.77 to 29.34.
The Charlotte County commission approved an interim rate of 34.60 which I can live with.
We are already paying more than our close neighbors in the Rotonda.
Please don't approve this new increase proposed by Utilities, Inc.
