Dear Florida PSC; I have just learned that utilities, Inc. of Sandalhaven has a request before your commission to allow their average customers monthly sewer charge to go from \$62.29 to \$148.87. I call this price gouging and excessive!
I am a retired 69-year-old from Michigan on a fixed income, who on June 1, 2015 purchased a condo at Cape Haze resort 8407 Placida Rd. unit 301. This unit will only be used January, February and March in 2016, yet my condo fee will increase an additional \$600 annually if you agree with their request.
I currently pay \$72 quarterly for my residence at 895 Treasure Island Dr., Mattawan, MI 49071. I pay zero dollars for the winter months I spend in Florida because they allow me to suspend my service!
Utilities Inc. of Sandalhaven has made a investment which failed to work out and should be merged with a larger Charlotte County Sewer Authority!
Highest regards,
Thomas C. Rogers
