CONSUMER COMMENTS
• THIS IS WRONG FOR MANY REASONS
1. They had a 40% increase in 2012 *This would triple it in 3 years
2. They admit it's because of a bad business decision hoping this area would grow larger and still have the Wildflower Golf Course
3. They got caught dumping too much waste water into Fiddler's Green.
4. Botched their recent billing to customers * THESE PEOPLE NEED TO GET OUT OF THE WASTE WATER BUSINESS
5. This is all about greed so they can increase profits (probably to sell it) at the expense of people who cannot afford the rate hike. * People will move out.

Please do the right thing
