CONSUMER COMMENTS	
I am a resident of Fiddlers Green II condos, a customer of Utilities, Inc. of Sandalhaven.	
Sandalhavens proposed rate increase for my unit will increase my typical usage bill from 62.29 to a WHOPPING 148.87. To put this into personal terms, a difference of 86.58 that I will not have to spend on Medications I need to survive on.	
This increase of 1,038.96 a year will be financially devastating for me and most fixed income customers in this small small (835 customers) service area. Not only will my personal bill go up but my Home Owners Maintenance fee will go up as well.	
As you are the State overseers of this utility and you as State Commissioners of this facility let this Company get into this condition, I would suggest that the STATE subsidize this increase instead of 835 innocent and fixed income customers.
