CONSUMER COMMENTS
I am protesting the proposed rate increase to the residents of Cape Haze Resort in the Sandalhaven Rate Case. We should not have to subsidize the costs for Sandalhaven upgrades & capacity increases for idle excess capacity. Sandalhaven's business plan was based on the area surrounding Cape Haze Resort to expand - that did not happen primarily due to national & regional economic concerns. All businesses, including utility companies, assume this risk & the customers (that reside in our area should not bear the burden of the proposed excess rate increases) for a business decision that Sandalhaven made many years ago.
Please decline Sandalhaven's proposed rate increase.
