Notes

- Structure is preliminary and subject to change based on market conditions and rating agency requirements at the time of pricing
- Structure is based in part upon information supplied by Duke which is believed to be reliable but has not been verified. Estimates of future performance are based on assumptions that may not be realized. Actual events may differ from those assumed and changes to any assumptions may have a material impact on any projections or estimates. Other events not taken into account may occur and may significantly affect the projections or estimates. Certain assumptions may have been made for modeling purposes only to simplify the presentation and/or calculation of any projections or estimates, and Morgan Stanley does not represent that any such assumptions will reflect actual future events
- Assumes the forecast for power consumption and collection curve provided by Duke and no collections for the first month of the transaction
- Total deal size is an estimate and subject to change based on the ongoing discussions between DEF and the Commission
- Structure is based on the estimated December 31, 2015 regulatory asset balance per the August 31, 2015 stipulation. Upfront and ongoing financing costs are based on the updated Exhibit BB-1 filed in early October 2015. Expense amounts are estimates and subject to change
