BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Energy conservation cost)
recovery clause.)
_____)

Docket No. 150002-EG

Filed: October 14, 2015

**DUKE ENERGY FLORIDA, LLC'S
NOTICE OF AREAS OF WITNESS EXPERTISE**

Duke Energy Florida, LLC ("DEF") submits this Notice of Areas of Witness Expertise, and states:

1. DEF has pre-filed the testimony of Lori J. Cross. Ms. Cross's qualifications are fully described in her testimony, but due to the objection to expert testimony contained in the Florida Industrial Power Users Group's prehearing statement (filed October 9, 2015), DEF provides this additional clarification regarding the qualifications and scope of expert testimony filed in this docket.

2. Lori J. Cross is a fact witness when providing factual information and also qualified as an expert witness through her knowledge, skill, experience, training and education, to the extent she offers opinions on the subject matter of Issue Nos. 1-4, and 7, namely: energy conservation generally; the operation, calculations and policy considerations associated with the Commission's energy conservation cost recovery clause ("ECCR"); the accounting for and calculation of conservation cost recovery amounts and factors; issues surrounding the effective date of ECCR factors for billing purposes, and the tariff approval process.

3. DEF proffers this notice as an affirmative statement of the subject matter of its witness's expertise for the purpose of this proceeding. Ms. Cross is prepared to confirm the statements of expertise in this notice when she takes the stand.

Respectfully submitted,

s/Matthew R. Bernier
