Subject: Confidential Documents

Good morning Theresa,

On the memo that gave me DNs 05700-15 and 05702-15 are not confidential documents. However, DNs 05701-15 and 05703-15 are. Would you like me to make copies of DNs 05701-15 and 05703-15 in 150001-EI?

Thank you,

Angela Charles
