RE: Docket No. 150089-EG - Petition for approval of demand-side management plan by Florida Public Utilities Company

ADMINISTRATIVE DOCKET CLOSURE

Pursuant to Order PSC-15-0326-PAA-EG, issued August 11, 2015, this docket shall be closed administratively upon staff's review and approval of administrative program standards filed by Florida Public Utilities Company (FPUC) for the company's demand-side management plan.

On October 8, 2015, FPUC filed its administrative program standards. On October 15, 2015, staff sent a letter finding the administrative program standards consistent with the demand-side management plan approved by the Commission. No further action is therefore necessary in this docket. Accordingly, pursuant to Order PSC-15-0326-PAA-EG, this docket should now be administratively closed.
