RE: Docket No. 150086-EG – Petition for approval of demand-side management plan of Gulf Power Company

ADMINISTRATIVE DOCKET CLOSURE

Pursuant to Order PSC-15-0330-PAA-EG, issued August 19, 2015, this docket shall be closed administratively upon staff's review and approval of administrative program standards filed by Gulf Power Company (GPC) for the company's demand-side management plan.

On October 14, 2015, GPC filed its administrative program standards. On October 29, 2015, staff sent a letter finding the administrative program standards consistent with the demand-side management plan approved by the Commission. No further action is therefore necessary in this docket. Accordingly, pursuant to Order PSC-15-0330-PAA-EG, this docket should now be administratively closed.
