Re: Docket 150087-EG- JEA Program Standards- Ten Year DSM Plan 2015-2024

Dear Mr. Perko:

On August 11, 2015, the Commission issued Order No. PSC-15-0358-CO-EG, approving the Demand-Side Management (DSM) Plan for JEA. JEA filed program participation standards on October 7, 2015.

Commission staff has reviewed JEA's filings and believes the DSM Plan program participation standards are consistent with the DSM Plan approved by the Commission. Staff requests that JEA notify the Commission prior to any changes being made to the program standards as filed.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".

Tom Ballinger, Director
Division of Engineering
