RE: Extension of Due Date – Depreciation Study

Dear Mr. Dean:

We are requesting an extension of the due date for filing of the 2015 Electric Depreciation Study for Florida Public Utilities Company, which is due this month.

Due to the complexity of the data required to complete a full study, additional time is required for final preparation and review. We will submit our report as soon as it is completed and reviewed, which should be no later than July 31, 2015.

Sincerely,

*Mike Cassel*
