II. DESCRIPTION OF THE TRANSACTION

Pursuant to the terms of an asset purchase agreement dated August 21, 2015, (the Agreement), Budget intends to assign approximately 8,700 wireline customers to GCIOA, some of which are residents of Florida (Transaction). These Customers currently receive local exchange and intrastate/interstate long distance services from Budget.⁴ GCIOA will not acquire any other assets of Budget and will not assume any of Budget's pre-closing liabilities or obligations.

Following approval of the proposed Transaction, GCIOA will provide the transferred customers with services that meet or exceed the plans they currently enjoy without any immediate (or near-term) increase to their monthly rates. Indeed, a significant number of the

⁴ A number of these customers receive Lifeline services through Budget. Post-close, they will continue to receive these benefits through GCIOA, which provides Lifeline services pursuant to its own designations.

Customers will enjoy lower monthly rates. GCIOA will file revisions to its Florida tariffs insofar as necessary to achieve this. If any future changes to the rates, terms and conditions of service are made, those changes will be made consistent with Commission requirements.

To ensure a seamless transition and avoid customer confusion or inconvenience, the Parties are providing affected customers with written notice at least thirty (30) days prior to the transfer. A sample of this notice, which complies fully with the requirements of section 64.1120(e) of the FCC's rules, 47 C.F.R. § 64.1120(e), is attached as **Exhibit 1**. The closing of the transaction will be contingent upon the receipt of required regulatory approvals from the FCC and state commissions.

III. PUBLIC INTEREST ANALYSIS

The proposed Transaction is in the public interest. Upon consummation, Global will provide the Customers with the same high-quality competitive local exchange and interexchange services previously delivered by Budget. At the same time, the Transaction will enable Budget and GCIOA to more effectively pursue their respective business plans. This, in turn, will allow each company to compete more efficiently, to the ultimate benefit of consumers throughout their operating territories.

The Transaction has no adverse effects for the affected customers. Consistent with FCC and Commission rules, these Customers have received written notice well in advance of the proposed transfer and may choose to remain with GCIOA or change to a new provider. Budget and GCIOA will work together to ensure that the affected Customers experience a smooth, virtually seamless, transition.

IV. CONCLUSION

The Parties respectfully request that the Commission note the Transaction for its records.

Please contact the undersigned if there are any questions regarding this filing.

Respectfully submitted,

Re: <Insert BTN>

**IMPORTANT NOTICE
REGARDING A CHANGE TO YOUR TELECOMMUNICATIONS SERVICE**

Dear <Insert Name>:

We are pleased to share some exciting news about your telecommunications service provider. Beginning on or after Oct. 25, 2015, your telecommunications service, formerly provided by Budget Prepay, Inc. d/b/a Budget Phone (Budget), will be provided by Global Connection Inc. of America (GCIOA).¹ Based in Atlanta, Georgia, GCIOA is a licensed Competitive Local Exchange Carrier (CLEC) in 26 states, providing a range of local and long distance services to residential customers.

GCIOA intends to continue the fine level of customer service you expect and have received from Budget Phone. Every effort will be made to ensure that this transition is as seamless as possible.²

No action on your part is required.

Your service will not be affected. You will continue to use the same telephone number you currently have and there will be no fees applied in connection with the transfer of your service to GCIOA. Importantly, GCIOA will provide you with services that meet or exceed those you currently receive while ensuring that the transfer does not result in an increase to your regular monthly recurring charges.³ Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law.⁴ If you decide that GCIOA is not the right provider for you, you have the right to choose another provider. If you choose to switch to an alternate provider, you may incur a fee from that carrier for the transfer. If you do not choose an alternate provider prior to Oct. 25, 2015, your service will be transferred to GCIOA.

Please note that if you have placed a "freeze" on your Budget service to prevent unauthorized transfer to another carrier, it will be automatically lifted to implement the transfer to GCIOA. You will need to contact GCIOA, or your alternative choice of a new local phone company, to re-establish freeze protection after the transfer.

If you have any questions or concerns regarding the change to your home telephone account, you can call GCIOA at any point at 1-877-895-1191 or, prior to the transfer, call Budget Phone at 1-888-424-5588. We will be happy to answer any questions you may have. We look forward to serving you!

Sincerely,

¹ The transfer is contingent upon approval by the Federal Communications Commission and by state commissions, where required.

² Customers receiving Lifeline services from Budget will continue to be enrolled to receive Lifeline services from GCIOA.

³ Many Customers will actually enjoy lower rates for their services and GCIOA will issue billing credits that offset any possible increases.

⁴ **Notice for Tennessee Customers:** Consistent with state law, in the event that GCIOA proposes to make changes to your rates within a period of ninety (90) days following the transfer of your service to GCIOA, the Company will provide you with at least thirty days' advance notice of the proposed change(s).
