Re: Docket Numbers 150171-EI and 150148-EI

Dear Ms. Stauffer:

Duke Energy Florida, LLC, ("DEF") is providing this letter regarding the finalization of the Financing Order that the Commission is scheduled to vote on in these dockets on November 17, 2015.

DEF and the parties have been diligently working through several remaining issues related to the wording of the Financing Order. Although DEF has not seen the final proposed Financing Order reflecting all discussed changes, DEF believes that most of the remaining issues should be resolved before the November 17, 2015 Special Agenda. Accordingly, DEF will not file a brief with respect to these open issues. However, DEF expressly reserves its right to verbally address, and make other arguments or statements to, the Commission during the November 17, 2015 Special Agenda if the issues are not resolved consistent with DEF's understanding, or if there are other proposed changes to the Financing Order that arise after the filing of this letter.

Thank you for your assistance in this matter. Please feel free to call me at (727) 820-4692 should you have any questions concerning this filing.

Respectfully,

A handwritten signature in blue ink that reads "Dianne M. Triplett".
