Issue/Comment:

If I understand correctly, Duke will be recovering money they spent for the Levy County Nuke Plant. If they get their money back, do they keep all the land they bought for the plant. I think, the State of Florida should take the land from Duke, we paid for the land, why should Duke Keep it. From what I understand, they have done this in more states. I think Duke should lose money, not get it back plus more. Thanks for any feedback
