In re: Nuclear Cost Recovery Clause Docket No. 150009-EI Filed: November 30, 2015

FLORIDA POWER & LIGHT COMPANY'S FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF EXHIBITS TOJ-1 AND SDS-1 (DOCKET NO. 140009-EI)

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests continued confidential classification of Exhibits TOJ-1 and SDS-1, filed in Docket No. 140009-EI. In support of its request, FPL states as follows:

1. On March 3, 2014, in Docket No. 140009-EI, FPL filed a Request for Confidential Classification of Exhibits TOJ-1 and SDS-1 (Confidential Document No. 01002-14). FPL's request was granted by Order No. PSC-14-0282-CFO-EI, issued May 30, 2014. The period of confidential treatment granted by Order No. PSC-14-0282-CFO-EI will soon expire. FPL has reviewed the confidential documents and determined that all the information that was the subject of Order No. PSC-14-0282-CFO-EI warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3), Florida Statutes. Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification. Exhibits A and B from FPL's March 3, 2014 filing are incorporated herein by reference. Included herewith are Revised Exhibit C and Revised Exhibit D.

2. Revised Exhibit C is a table containing the specific line, column and page references to the confidential information, and references to the specific statutory basis or bases for the claim of confidentiality and to the affidavit in support of the continued confidential classification. Revised Exhibit D includes the affidavits of Stephanie Castaneda and Christie Gidos in support of FPL's request.

3. The information that was granted confidential treatment by Order No. PSC-14-0282-CFO-EI continues to be confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private in that the disclosure of the information would cause harm to customers or FPL's business operations, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and it is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As the affidavits included in Revised Exhibit D indicate, the information included in Exhibit A continues to be proprietary, confidential business information. The exhibits contain information related to bids or contractual data, such as pricing or other terms, the public disclosure of which would violate nondisclosure provisions of FPL's contracts with certain vendors and impair FPL's ability to contract for goods or services on favorable terms in the future. Such information is protected from public disclosure by Section 366.093(3)(d), Florida Statutes. The information is also competitively sensitive information which, if disclosed, could impair the competitive interests of the provider of the information. Such information is protected from public disclosure by Section 366.093(3)(e), Florida Statutes.

5. Nothing has changed since the issuance of Order No. PSC-14-0282-CFO-EI to render the confidential information stale or public, such that continued confidential treatment would not be appropriate.

2

6. Upon a finding by the Commission that the information referenced in Revised Exhibit C continues to be proprietary confidential business information, the information should not be declassified for a period of at least an additional eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as supported by the materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

Jessica A. Cano Senior Attorney Florida Power & Light Company 700 Universe Boulevard Juno Beach, FL 33408 Telephone: (561) 304-5226 Facsimile: (561) 691-7135
