Item 12

Docket No. 150211-EI – Petition for approval of depreciation rates for solar photovoltaic generating units, by Tampa Electric Company.

(Continued from previous page)

Issue 2: What should be the effective date for the implementation of the new depreciation rates for TECO's solar photovoltaic generating units and associated equipment?

Recommendation: Staff recommends an effective date for the implementation of the new depreciation rates for TECO's solar photovoltaic generating units and associated equipment of December 31, 2015.

APPROVED

Issue 3: Should this docket be closed?

Recommendation: If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should be closed upon the issuance of a consummating order.

APPROVED

CORRECTED VERSION

Top of Page 2

Issue 1: Should the Commission approve TECO's proposed depreciation rate for solar photovoltaic generating units and associated equipment?

Recommendation: Yes. Staff recommends the Commission approve a 30 year life and whole life depreciation rate of 3.3 percent for TECO's solar photovoltaic generating units and associated equipment applied to each of the related subaccounts shown in the staff analysis.

Top of Page 4

Staff believes a 30 year life and whole life depreciation rate of 3.3 percent is appropriate for TECO's solar photovoltaic generating units and associated equipment. This rate should be applied to each of the related subaccounts shown in the staff analysis.

TYPE AND STRIKE VERSION

Top of Page 2

Issue 1: Should the Commission ~~establish subaccounts with~~ approve TECO's proposed depreciation rate for solar photovoltaic generating units and associated equipment?

Recommendation: Yes. Staff recommends the Commission ~~establish the subaccounts shown in the staff analysis with~~ approve a 30 year life and whole life depreciation rate of 3.3 percent for TECO's solar photovoltaic generating units and associated equipment applied to each of the related subaccounts shown in the staff analysis.
