**RE: Public Service Commission
Rules 25-30.029, .030, .032, .033, .034, .035, .036, .037, .038, .039, and .090**

Dear Ms. Cowdery:

I have reviewed the above-referenced rules and offer the following comments for your consideration and response:

- 25-30.033(1):** Incorporated Material—PSC 1001 (12/15)
Part I, D: The corresponding rule language found in rule 25-30.033(1)(e), Florida Administrative Code, requests a listing of each "entity or person" that owns or will own more than 5% of the utility. Please note that the question on the sample application requests "each entity" only. Please review to determine whether revision is necessary for consistency.
- 25-30.033(1)(p)2.:** The reference to "subparagraph (p)6." should be to "subparagraph (1)(p)6."
- 25-30.033(1)(q):** Incorporated Material—PSC 1010 and PSC1011 (12/15)
For both incorporated forms, only rule 25-30.033 should be listed in the footer as incorporating these forms by reference. The other listed rules refer to, but do not separately incorporate, these forms.
- 25-30.034(1):** Incorporated Material—PSC 1002 (12/15)
Part I, D: Please see the comment above for rule 25-30.033(1) as it relates to Part I, D of this application.
- 25-30.035(1):** The reference to "paragraphs (2) through (16)" should be to "subsections (2) through (16)."

Incorporated Material—PSC 1003 (12/15)

Part I, D: Please see the comment above for rule 25-30.033(1) as it relates to Part I, D of this application.

25-30.037(1)(c):

Incorporated Material—PSC 1005 (12/15)

The citation included in the footer of this form is inaccurate in that subsection (2) does not include the incorporation by reference of this form. Please revise to the rule generally or to paragraph (1)(c) as the incorporative citation.

Part I, G: Please see the comment above for rule 25-30.033(1) as it relates to Part I, G of this application.

Part II, A.2: The article “a” appears to be missing between “include” and “provision” in this section.

Incorporated Material—PSC 1006 (12/15)

The citation included in the footer of this form is inaccurate in that subsection (3) does not include the incorporation by reference of this form. Please revise to the rule generally or to paragraph (1)(c) as the incorporative citation.

Part I, G: Please see the comment above for rule 25-30.033(1) as it relates to Part I, G of this application.

Incorporated Material—PSC 1007 (12/15)

The citation included in the footer of this form is inaccurate in that subsection (4) does not include the incorporation by reference of this form. Please revise to the rule generally or to paragraph (1)(c) as the incorporative citation.

Incorporated Material—PSC 1008 (12/15)

The citation included in the footer of this form is inaccurate in that subsection (5) does not include the incorporation by reference of this form. Please revise to the rule generally or to paragraph (1)(c) as the incorporative citation.

25-30.037(2)(d):

Please ensure that the formatting is corrected so that paragraph (2)(d) is freestanding.

If you have questions, please do not hesitate to contact me. Otherwise, I look forward to your written response.

Sincerely,

Jamie L. Jackson
Senior Attorney
