Dear Mr. Bernier:

By this letter and pursuant to subsection 366.04(2), Florida Statutes, Commission staff respectfully requests the following information from Duke Energy Florida, LLC (Duke) and Clay Electric Cooperative, Inc. (Clay):

1. Please refer to Paragraph 6 of the petition (page 3 of 277), Exhibit C to the petition (page 219 of 277) and to Exhibit E to the petition (page 277 of 277). Paragraph 6 of the petition states that 441 customers (52 commercial and 389 residential) would be transferred from Clay to Duke, whereas Exhibit E states that approximately 361 Clay accounts would be transferred to Duke. Paragraph 6 of the petition states that 84 customers (16 commercial and 68 residential) would be transferred from Duke to Clay, whereas Exhibit C lists 83 Duke customers that would be transferred to Clay. Please clarify the numbers of commercial and residential customers that would be transferred between utilities under the proposed agreement.
2. Please refer to Exhibit E to the petition (pages 276 and 277).
 - a. The Duke sample customer notification letter included as page 276 provides rate comparisons for commercial and residential customers. Are all of the commercial customers that would be transferred from Duke to Clay general service non-demand customers? If not, please provide sample letters for each applicable demand rate class.
 - b. The Clay sample customer notification letter included as page 277 provides rate comparisons for residential customers. Please provide a sample letter showing rate comparisons for the commercial non-demand and/or demand customers that would be transferred from Clay to Duke.

3. Is it the intent of Duke and Clay to exchange and/or purchase any facilities pursuant to Section 3.5 (Compensation for Transferred Facilities) of the proposed agreement? If so, please provide an estimate of the purchase price.

Please file all responses electronically no later than Monday, January 4, 2016, from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please call me at (850) 413-6495 if you have any questions.
