Hi, Dorothy,
The current program module is : B – Service Regulation, 3 Territorial Matters, and a Agreement.

It should be A – Economic Regulation and 13 Cogeneration; a – agreement stays the same.

Any questions, please let me know.
Thanks,
Sue

I apologize, I was talking about Docket No. 150262-EU, not 150252. I mistyped a number.

Hi Elisabeth,

We will be glad to change the docket title per your e-mail request below. However, before we do so, please provide confirmation that the docket title should be changed to reflect that it is an approval of joint termination of settlement agreement as it is noted that the cover letter and the petition both specify "approval of consolidated territorial agreement."

Thank you for your help.

Carlotta, the docket title to new docket 150252 -EU is incorrect in CMS. The petition is approval of joint termination of settlement agreement, while CMS shows approval of territorial settlement agreement.

Thanks
