Re: Docket No. 150083-EG - Petition for approval of demand-side management plan of Duke Energy Florida, Inc.

Dear Ms. Triplett:

Duke Energy Florida (DEF) submitted for approval its DSM program standards to the Commission on October 16, 2015. On October 29, 2015, the Commission administratively approved those program standards.

On December 21, 2015, DEF filed a letter requesting certain revisions to the approved program standards. Commission staff has reviewed the revisions and has determined them to be consistent with the DSM Plan approved by the Commission in Order No. PSC-15-0332-PAA-EG, issued August 20, 2015. Staff requests that DEF notify the Commission prior to any additional changes being made to the program standards as filed.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".

Tom Ballinger, Director
Division of Engineering
