Good morning Ms. Ellis, this is a follow up to our conversation a few minute ago advising you that I have updated the official mailing name in our Master Commission Directory to Matrix Telecom, Inc. *per your request since that is a part of the Company's certified name. Please note that only the Company Code TX841 is active, as the Company Code T1299 (was an IXC and is inactive/deregulated effective 7-1-11.) As I explained to you the PSC goes by the last d/b/a name of a Company unless they request a certain name that is included in their certified name be used. Should you have any questions you may call me at the number listed below. Have a nice day. Thanks,*
