Please note that my wife and I are opposed to granting a rate to FPL since they are a monopoly with a guaranteed return on their investments.

Dear Mr. Valenzuela:

The Governor's office forwarded a copy of your E-mail regarding Florida Power & Light Company (FPL) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to assist you.

You expressed a concern about FPL's petition for an increase in its base rate. We will add your comments to the correspondence side of Docket No. 160021-EI regarding the petition.

If you have any questions or concerns please contact Ellen Plendl at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

Randy Roland
