Hi Terri,

Thank you for the clarification. Unfortunately, we are unable to delete filings that have been assigned document numbers and have been on the website for the public to see. We can, however, move the duplicate document (DN 00441-16) to correspondence and cross-reference it with the original filing (DN 00369-16) per this email. Let me know if you have any questions.

Dorothy,

After looking at this, it was a duplicate filing. Can you delete one please? Thank you in advance ~

Good morning, Clayton,

Could you please take a look at the two documents shown below. They are both the same exact PDF. I'm wondering if the wrong document was accidentally filed on the 25th (DN 00441-16). It has the same attachment and the same initial signatures on the cover memo as DN 00369-16.
