Re: Docket 130265 -- Application for staff-assisted rate case in Charlotte County by Little Gasparilla Water Utility, Inc.

Dear Ms. Stauffer:

Attached is a list of issues that the Office of Public Counsel has prepared to identify concerns we have with information discovered about Little Gasparilla Water Utility, Inc. We believe that these are critical issues that should be reviewed and addressed by staff before Phase II rates are implemented. If you should have any questions, please feel free to call or e-mail me.

Respectfully submitted,

s/ Danielle M. Roth

Danielle M. Roth

OPC Issues and Concerns
Little Gasparilla Water Utility, Inc.
130265-WU

Unlicensed Plumbing

1. The Charlotte County Community Development Department was notified of a possible licensing violation by Mr. John (Jack) Redmond Boyer at 3 homes on Little Gasparilla Island:

8854 Bay Street
8808 Grand Avenue
8814 Grand Avenue

Mr. Boyer was said to be connecting meters to the houses without a plumbing license. Compliance officers inspected the homes and observed a newly installed water meter box and meter at each location. After inspecting the homes, Mr. Boyer was contacted and confirmed that he had connected the meters to the houses without a plumbing license.

On October 12, 2015, Mr. Boyer was served in person with the following citations for violation of Florida Statute 489.127(1)(f), for acting in the capacity of a contractor without being duly registered or certified. Mr. Boyer was fined \$1,000.00 for each said violation.

#4004 (Attachment A)
#4006 (Attachment B)
#4008 (Attachment C)

Non Permitted Water Connection

2. The Charlotte County Community Development Department was notified of a possible permit violation by Mr. John (Jack) Redmond Boyer at 3 homes on Little Gasparilla Island:

8854 Bay Street
8808 Grand Avenue
8814 Grand Avenue

Mr. Boyer was said to be connecting meters to the houses without obtaining a building permit as required by Charlotte County Code 3-2-27(A). Compliance officers inspected the homes and observed a newly installed water meter box and meter at each location. After inspecting the homes, Mr. Boyer was contacted and confirmed that he had connected the meters to the houses without a building permit.

On October 12, 2015, Mr. Boyer was served in person with the following citations for violation of Florida Statute 489.127(1)(h), for performing work for which a building permit is required without such building permit being in effect. Mr. Boyer was fined \$1,000.00 for each said violation.

#4007 (Attachment E)
#4009 (Attachment F)

OPC Issues and Concerns
Little Gasparilla Water Utility, Inc.
130265-WU

Water Tariff

3. The Rules and Regulations portion of the Utility's Water tariff approved by the Public Service Commission provides:

All Customer's water service installations or changes shall be inspected upon completion by a competent authority to ensure that the Customer's piping, equipment, and devices have been installed in accordance with accepted standard practice and local laws and governmental regulations. Where municipal or other governmental inspection is required by local rules and ordinances, the Company cannot render water service until such inspection has been made and a formal notice of approval from the inspecting authority has been received by the Company.

As evidenced by the Charlotte County citations, we believe the utility is in violation of its tariff. While Charlotte County has cited the utility on three counts, we believe the Commission should investigate all new connections that have been completed since the PAA Order was issued to determine compliance with and adherence to the utility's tariff and other applicable laws and regulations. The Commission should require the utility to provide sufficient proof that it connected the new customers only after the service connections were inspected and a formal notice of approval was provided to the utility as required by the tariff.

Tangible Property Taxes

4. As of February 5, 2016, Little Gasparilla Water Utility, Inc. owes a total of \$23,212.68 in tangible property taxes to the Charlotte County Tax Collector (Attachment G). The utility owes \$9,254.94 from the 2013 tax year, \$11,017.93 from the 2014 tax year, and \$2,939.81 from the 2015 tax year.

Boil Water Notices

5. On or about January 26, 2016, Little Gasparilla Water Utility, Inc. shut off the water on the Island to repair a water break. According to the Department of Environmental Protection, total pressure loss should always result in a precautionary boil water notice to the utility's customers. However, we do not believe that a boil water notice was issued to the customers before or after the January 26, 2016 water shut off. In addition, we cannot find evidence that the utility provided notice to Charlotte County or the Florida Department of Environmental Protection.
