**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Fuel and purchase power cost recovery  
clause with generating performance incentive  
factor

Docket No: 160001-EI  
Date: February 18, 2016

**FLORIDA POWER & LIGHT COMPANY'S NOTICE  
OF INTENT TO REQUEST FOR CONFIDENTIAL CLASSIFICATION  
OF WOODFORD PROJECT DRILLING AND DEVELOPMENT AGREEMENT**

Pursuant to Florida Administrative Code Rule 25-22.006(3)(a), Florida Power & Light Company ("FPL") files this Notice of Intent to Request Confidential Classification ("Notice"). This Notice relates to the attached Drilling and Development Agreement including exhibits thereto, which governs FPL's Woodford Project (the "Woodford DDA").

By Order No. PSC-15-0038-FOF-EI, the Florida Public Service Commission ("Commission") approved FPL's request to recover its investment in the Woodford gas reserves Project in the fuel clause (the "Woodford Project"). In its Order (page 7), the Commission directed FPL to "utilize an independent auditor in performing the audits provided in the [Woodford DDA] and shall work with Commission staff to develop the scope of the audits." On January 29, 2016, Staff held a duly noticed informal meeting, the purpose of which was "to discuss the scope of the first audit of the Woodford Project." Following the January 29, 2016 informal meeting, it became evident that review of the Woodford DDA would aid staff's collaboration with FPL and other parties to develop the scope of the Woodford Project audits.

The Woodford DDA contains confidential information and is treated by FPL as confidential. Accordingly, FPL hereby submits a copy of the Woodford DDA with this Notice of Intent To Request Confidential Classification, enclosed in the attached envelope labeled "ATTACHMENT 1 – CONFIDENTIAL INFORMATION."

FPL, pursuant to Rule 25-22.006(3)(a) and (d), requests confidential handling of all materials furnished to aid in the development of the scope of the Woodford Project audits.

Respectfully submitted,

John T. Butler
