To Whom It May Concern,

Due to recent upgrade in our financial system, we have experienced some errors that have caused the resent mailing of old invoices with inaccurate information. These invoices pertain to Special Detail Services provided by our Police Department.

If you have received an invoice(s) that you are **certain** was paid, please disregard the invoice. We are currently working with our IT Department to correct this situation.

We appreciate your attention to this note and extend our apology for any inconvenience this may have caused.

Sincerely,

Miriam Barahona-Elmore
