BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and purchase power cost recovery
clause with generating performance incentive
factor

Docket No: 160001-EI

Date: March 17, 2016

**FLORIDA POWER & LIGHT COMPANY'S
NOTICE OF INTENT TO REQUEST CONFIDENTIAL
CLASSIFICATION OF JOINT INTEREST BILLING AUDIT PLAN**

Pursuant to Florida Administrative Code Rule 25-22.006(3)(a), Florida Power & Light Company ("FPL") files this Notice of Intent to Request Confidential Classification ("Notice"). This Notice relates to the attached Joint Interest Billing and Authorization for Expenditures documentation.

By Order No. PSC-15-0038-FOF-EI, the Florida Public Service Commission ("Commission") approved FPL's request to recover its investment in the Woodford gas reserves Project in the fuel clause (the "Woodford Project"). In its Order (page 7), the Commission directed FPL to "utilize an independent auditor in performing the audits provided in the [Woodford Drilling and Development Agreement] and shall work with Commission staff to develop the scope of the audits." On March 8, 2016, Staff held a duly noticed informal meeting, the purpose of which was "to discuss issues related to the Woodford Project." During the meeting, FPL explained that the scope of the audit would include, among other things, review of Joint Interest Billing ("JIB") in order to assess the accuracy of costs billed to FPL for its ownership. Commission Staff requested a copy of the JIB Audit Plan prepared by FPL's independent auditor.

The JIB Audit Plan is confidential, and it is treated by both FPL and its independent auditor as such. Accordingly, FPL hereby submits the JIB Audit Plan with this Notice of Intent

To Request Confidential Classification, enclosed in the attached envelope labeled "ATTACHMENT 1 – CONFIDENTIAL INFORMATION."

FPL, pursuant to Rule 25-22.006(3)(a) and (d), requests confidential handling of the attached materials.

Respectfully submitted,

John T. Butler
