Subject: Notification of Unaccepted E-filing - (E-filing ID = 47066)

The document presented has been reviewed by the Office of Commission Clerk and found to be ineligible for e-filing. I have spoken with our General Counsel's Office and clarification is needed for this filing (E-filing ID 47066). We wanted to call your office, however, there was no phone number shown on the filing. This filing was submitted in Docket 160005, however that is a price index docket. The intended filing appears to be a transfer of facilities or certificates for North Charlotte. When refileing this document, please include a cover letter to clarify the utility filing it, and to reflect the name and contact information of the person/company submitting the document on behalf of the utility.

If you have any questions, please contact the Office of Commission Clerk at clerk@psc.state.fl.us.

Thank you for your help.
