Dear Sirs/Madams,

As a Florida resident of Indian River Shores, I am writing to urge you to consider the release of our Township from the grips of Vero Beach and it's chosen utility service. While we are essentially "taxed" by paying higher rates than our Vero neighbors who then use the extra income to support city

services, about which we have no vote or say. It is certainly taxation with our representation, veiled as a public utility.

I have a direct interest in the outcome of the Town's petition for modification of territorial order (160049). I formally request that you add me to the official docket mailing list so that I can receive notices of hearings or meetings related to the case. My contact information is as follows;

Thank you for your consideration of my concerns,
