Gentlemen:

As a resident of Indian River Shores, I want to let you all know that I favor our town's petition before the Public Service Commission (PSC) to re-draw service boundaries so that our entire Town can be served by Florida Power & Light (FPL). I would hope that Vero will consider FPL's initial cash offer to purchase the utility system in our Town. There continues to be an opportunity here for the City to consider FPL's initial offer and begin discussions toward a mutually beneficial solution so that Indian River Shores residents won't have to continue to pay the exorbitant rates imposed by Vero.

Thank you.

George Howard
