Subject: **Indian River Shores (Docket Number 160049)**

Chairman Julie Imanuel Brown,

We have lived in Village Shores for over 20 years and been forced to pay excessive electric rates in order to subsidize the City of Vero Beach's general fund budget. We have looked forward to the expiration of the agreement that has been mistreating us due to very poor judgement by Vero Beach leadership over the years.

With my experience in government and private research I was asked to serve as Chairman of the Village Shores Finance committee for several years. On the basis of serious analysis and experience I urge you to approve modification of territorial order (Docket Number 160049) to extricate Indian River Shores from the monopolistic and unfair electric rates imposed by City of Vero Beach so that Indian River Shores can pursue competitive rates for our community.
